## Testimonial for Action Sales

Action Sales has being our preferred vendor since we started our business 5 years ago. Action Sales organization has always given us great support and making the purchasing & delivery process timely and efficient. They offer great selections on kitchenware and refrigeration which makes it a one stop shop for us.

ELPX LLC has recently opened our 19<sup>th</sup> Panda Express Licensee store across the country. With their knowledge and expertise, our operation team only has to focus on the opening of the store. This allows us to provide great food & service to our guests.

In the next few years, our company will continue to grow rapidly and we know we can always count on Action Sales team to deliver. Thank you! Looking forward to many more years of partnership and growth!

Eddie Wang
