CUSTOMER'S FREIGHT DAMAGE PROCEDURE

1. Inspect shipment for any damage. If you see damage or feel there may be concealed damage, mark the carrier's copy of the freight bill "damaged".
2. If there is damage to your shipment, action must be taken by you **to notify Beverage Air immediately**. A freight claim must be filed with the carrier and an inspection scheduled by the carrier. It is the duty of the carrier to give you a written report upon notification. (VISIBLE AND CONCEALED).
3. For visible damage, where possible, do not accept delivery unless the condition noted on your copy of the freight bill and signed by the driver.

Concealed Damage:
