BACK BAR COOLERS

EBB – Series	• EBB23 •	EBB48 •	EBB59 •	EBB69 •	EBB90
--------------	-----------	---------	---------	---------	-------

▲ EBB69

Cabinet Construction

Heavy duty stainless steel countertop, with textured and laminated black vinyl exterior. Galvanized steel interior wall, and high quality stainless steel floor. 1 3/4" thick high density foamed-in-place polyurethane insulation. Pre-installed four 4" diameter casters for single door unit. Built-in caster thread receptacles for all units.

Refrigeration System

- Back mounted condensing unit for single door, and side mounted condensing unit for two and three door models
- · Oversized condenser and evaporator coils quickly achieve and maintain desired temperature
- · Forced-air cooling with oversized evaporator fan motors provide balanced airflow throughout cabinet to ensure faster temperature drop
- \cdot Removable side panel and slide-out condensing unit for convenient repair and maintenance
- Environmentally friendly CFC free R-134A refrigerant
- \cdot Air defrost controlled by electrical timer
- \cdot Copper tube and aluminum fin evaporator with anti-corrosive coating
- · Energy efficient condensate drain pan assembly heated by high side copper tube
- · Pre-wired and ready to plug, 115V/60Hz/1Ph, NEMA 5-15P

Lighting

 Shielded vertical LED interior lighting with on/off switch for energy efficiency, minimal heat generation and enhanced illumination (not applicable to EBB23 models manufactured prior to 2017)

Doors

- · Textured and laminated black exterior with galvanized steel interior
- · 1 3/4" thick high density foamed-in-place polyurethane insulation
- · One piece snap-in magnetic door gaskets for easy replacement
- · Heavy duty recessed door handles for a flat surface
- . Door locks

Shelving

- · Two epoxy coated wire shelves per section
- Stainless steel pilasters and shelf clips

Temperature Control

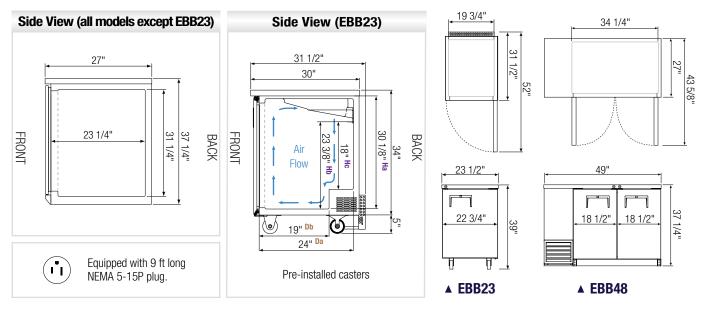

- · Factory preset temperature, 35°F
- · Temperature setting range from 32°F to 42°F
- Easy to set analog thermostat

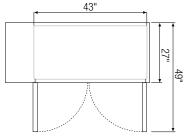

Option

 \cdot 2 1/2" and 4" diameter casters (3 1/2" and 5" overall height) optional for all models except EBB23
