HEAVY DUTY RADIANT CHAR-BROILER

STANDARD FEATURES

- Heavy duty radiant bars for optimum heat distribution.
- Radiant bars individually removable for easy cleaning.
- Heavy duty cast top grates are angled to control flare-up.
- 14 ga. all welded heavy duty reinforced firebox.
- Stainless Steel polished front and trim for easy cleaning, with fully insulated double layered steel chassis.
- Full length grease trough drains the run off into a removable pan for easy cleaning.
- Optional 4" legs or equipment stand available.
- Individually controlled Stainless Steel 15,000 BTU/hr. burners placed every 6", providing maximum output, flexibility and low maintenance.
- Manual gas control valve for each burner allows use of selected burners.
- One year limited warranty, parts and labor.

OPTIONAL FEATURES

• 4" (102mm) counter legs.

Shown with optional 4" counter legs

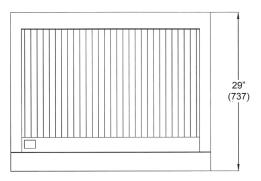

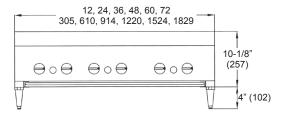

HEAVY DUTY RADIANT CHAR-BROILER

American Range heavy duty Radiant Char-Broiler is designed to provide reliable, solid performance for many years. The Radiant Char-Broiler allows juices from the meat to drip down onto the radiants, resulting in searing flames and smoke that enhances flavor.

Innovative design features heavy duty cast iron top grates which are pitched with a cast in grease trough in each blade for fat run off which minimizes flare-up. Individually controlled 15,000 BTU burners are located every six inches designed for complete coverage of a large cooking area and the flexibility to operate chosen burners as needed.

All our quality countertop appliances come standard with a Stainless Steel exterior and the best warranty in the business. Look to American Range for innovation, reliable performance, quality and attention to your equipment needs and delivery now and in the future.

STANDARD FEATURES

- Individually controlled Stainless Steel straight burners. 15,000 BTU/hr. spaced every 6" (152 mm).
- · Optimum heat distribution with heavy duty angled radiants, removable for easy cleaning.
- Angled radiants control flare-up while still imparting the char-broiled flavor.
- Heavy duty cast iron top grates, 3" (76 mm) x 22" (559 mm) reversible, with grease runners to direct the run off to the grease trough.
- · Full width grease pan, removable for easy cleaning.
- 14 ga. all welded heavy duty reinforced fire box.
- One year limited warranty, parts and labor.

OPTIONAL FEATURE

• 4" (102 mm) counter legs

OPERATING GAS PRESSURE

Manifold pressure is 5.0" W.C. for natural gas or 10.0" W.C. for propane gas. Specify type of gas and altitude if over 2000 feet, 3/4" NPT Gas inlet.

CLEARANCES

For use only on non-combustible floors. Legs or casters are required, or 2" (51mm) overhang is required when curb mounted. Clearance from non-combustible walls is 0". When unit is placed next to combustible walls, clearances must exceed 12" (305mm) on sides, and 4" (102mm) from rear. Radiant broilers for non-combustible locations only! American Range is a quality manufacturer of commercial cooking equipment. Due to continuing product improvements, these specifications are subject to change without prior notice.
