

Professional Bakeware and Cookware

Our SuperSteel® stainless steel stock pots are constructed of stainless steel with a heavy duty 3-ply bottom consisting of two layers of stainless surrounding a 5mm thick aluminum core. This results in extra strength and allows for superior heat distribution. All models may be used with induction cookers, making this one of the most versatile lines of stainless steel pots available. Covers are included.

Stainless Steel Fry Pans

- Induction ready
- 12" & 14" pans feature helper handle

ITEM	COATING	DIA x DEPTH	CASE
SFC-08	Excalibur	8" x 1 3/4"	6
