

**The easy and safe alternative to keep
beer taps clean between required
beer line cleaning and protected from
contamination when not in use.**

Kleen Plug™ is the first Food Safety solution to help keep beer taps clean and protected from fruit flies, dust and other contaminants. Maintain the high quality and taste of your beer by eliminating build up that can be dangerous and give an “off-taste.”

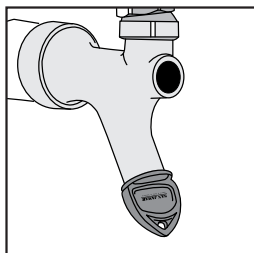

KLEEN™
PLUG

DIRECTIONS FOR USE:

PERIODIC CLEANING:

1. Wash, rinse and sanitize Kleen Plug™ before each use.
2. Insert Kleen Plug™ into tap and rotate to remove contaminants and buildup.
3. After cleaning, dispense beer to flush out dislodged particles and microorganisms.
4. Wash, rinse and sanitize Kleen Plug™.

PROTECTING TAPS FROM CONTAMINATION:

1. Be sure Kleen Plug™ has been washed, rinsed and sanitized.
2. Insert Kleen Plug™ into tap until opening completely covered. Kleen Plug™ features a multi-step design to accommodate the wide range of beer tap openings. Leave in tap overnight or when not in use.

NOTE: Before removing Kleen Plug™ in order to use tap, rotate to remove any contaminants and flush tap. Always wash, rinse and sanitize prior to use.
