

# See Red!

- Separate red meats from other foods to help prevent cross-contamination.
- Translucent Safety Red allows visibility for product identification.
- Two popular sizes with matching lids, 12" x 18" and 18" x 26", 6 inches deep.

# Camwear® Safety Red Food Storage Boxes and Lids

Camwear Food Storage Boxes are now available in Safety Red. The red storage boxes can help keep raw meats separate from ready-to-eat foods or other stored food products. This allows operators an extra degree of protection from the dangers of cross-contamination.

Made of virtually unbreakable polycarbonate with a translucent red color that retains visibility for product identification. The smooth surface makes them easy to clean and the texture on the bottom reduces scratching. Matching red snap-tight covers won't come off during transportation. Camwear food boxes have outstanding temperature performance from -40°F to 210°F (-40°C to 99°C) for use in refrigerators and freezers.

- Available in two popular sizes, 12" x 18" and 18" x 26", 6" deep with matching solid covers.
- Compatible with all Camwear clear food box covers, drain shelves and colanders.
- Use as part of your HACCP food safety program.
- Commercial Dishwasher Safe.
- NSF approved.
