DURABILITY THAT MAKES A DIFFERENCE®

Colanders for Camwear® Pans

Colanders allow liquids and juices to drain quickly for improved food quality, reduced handling and enhanced food safety. Colanders save time and labor by making it easier to empty liquids from pans. An inch in liquid depth is provided between pan and matching colander. Camwear Flat Covers, Covers with Handles and Notched Covers with Handles fit on pans with Colanders.

Store fresh fish on ice or rinse and drain lettuce and other vegetables.

Colanders can be used in storage, prep or service applications. Use Colanders with food pans on prep tables for sliced tomatoes, pickles or washed lettuce. Wash fruits and vegetables in colanders, then add a food pan and lid for storage. Store fresh fish on ice and out of drained liquids. Safely thaw frozen meat, fish or poultry while draining away excess juices.

Camwear Food Pans

Store, transport, display and serve food with Camwear food pans. Non-stick surface increases yield and is easy to clean.

Camwear Rounds and Seal Covers

Translucent Seal Covers for Camwear Rounds have an inner and outer seal to improve spill resistance. They are an economical alternative to polycarbonate covers and eliminate messy wraps and foils.

ColdFest® Food Pans

Keep foods chilled at or below HACCP guidelines without the use of messy ice. Simply freeze ColdFest for eight hours and add pre-chilled product.
