Plating TOOLS

Plating is an art, and every artist needs their tools.

How food is presented is as important as the quality and preparation of the dish. Eating is an experience for all the senses, and maximizing the customer experience is the ultimate goal. Mercer is proud to offer an extensive line of tools that provide chefs the opportunity to unleash their innermost creativity and vision. Brushes, wedges, tongs, and spoons can be used separately or together, to create a dizzying array of designs to wow patrons over and over.

PLATING SPOONS

Until now, a great plating spoon was nearly impossible to find. These new spoons provide the solution to the challenges chefs shared with us. Available in different sizes and capacities for greater flexibility. Satin finish handles to hide wear.
