HEMLOCK HAND DRYER

110v **400-10** / 220v **400-20**

The Hemlock Hand Dryer is a high speed automatic hand dryer with a unique design offering a blue light for hand drying efficiency. With a powerful 25000RPM motor, the Hemlock model **will dry your hands in 10 seconds**, faster than many comparable high speed hand dryers and excellent for high traffic bathroom areas. Saving thousands of dollars per year in paper towels and electricity, the Hemlock hand dryer is also **equipped with a plug-in option** for quick and easy installation. Hand dryer automatically activates when hands are placed beneath the sensor and stops when they are removed. Also features auto-stop function if hands are not removed after 63 seconds. **Covered by a 5 year warranty.**
