

Wheat Beer

Features and Benefits:

- Rounded top perfectly accommodates the fluffy head of foam
- Graceful contour is very comfortable to hold
- Curved design perfect for highlighting craft beer service
- Excellent opportunity to differentiate craft beers from lower priced domestic light lagers
- Wide base for maximum stability in service
- Safedge® Rim Lifetime Guarantee

Differentiate your craft beer service and maximize profits from the booming craft beer trend with the new Wheat Beer glass from Libbey. Absolutely perfect for serving wheat beers, the Wheat Beer features a graceful contour that is very comfortable to hold. The rounded top perfectly accommodates the fluffy head of foam, while the sexy design is ideal for highlighting craft beer service. Designed for foodservice, the Wheat Beer includes a wide base for maximum stability in service.
