

REGENCY NSF GREEN EPOXY WIRE SHELVING

Regency Space Solutions is your source for quality, affordable wire shelving. Offering a large selection of NSF Listed wire shelves and posts, Regency Space Solutions gives you the freedom to create the perfect shelving unit at the perfect price.

Green Epoxy-Coated Zinc Plated Wire Shelving

Green epoxy-coated zinc plated wire shelving is ideal for moist and humid environments that would otherwise lead to rapid corrosion of the metal surface. It's suitable for use in all environments, including:

- Walk-in Coolers
- Dry storage
- Moist storage
- Warewashing areas

Quick Assembly

Regency Space Solutions' NSF Listed wire shelving is easy to assemble using split sleeves. Simply snap two split sleeves around each wire post to keep shelves level every time. Use the incrementally notched lines to help you install a level shelf. Each wire shelf comes complete with (4) pairs of split sleeves (eight total split sleeves).

Air Flow

Wire shelving offers unparalleled air flow between and around products thanks to its wire design.

Versatility

Regency Space Solutions' wire shelving offers the rigidity of solid metal with the adjustability of plastic. No tools or hardware required. Simply move the split sleeves up or down the posts for quick, efficient change.

Weight Capacity

- Each shelf up to 48" in length: 600 lbs.
- Longer shelves above 54" in length: 450 lbs.

- Zinc plated wire with green epoxy coating
- NSF Listed

Dunnage Rack Kits

These green epoxy wire standard duty dunnage rack kits are NSF Listed for use only in dry storage and heated environments. The wire shelf and the other components are made of a durable, green epoxy coated metal. This green epoxy wire shelving is capable of holding up to 600 pounds of evenly distributed weight when properly assembled to give you all the storage capacity you need.

Each kit contains:

- (4) Shelving posts
- (1) Regency wire shelf
- (1) Regency support frame

Item #	Width x Length (in.)
460P1824GFR	18 x 24
460P1836GFR	18 x 36
460P2424GFR	24 x 24
460P2436GFR	24 x 36

“S” Hook

- Item #4619995Z

“S” hooks allow you to install side by side shelves with fewer posts. Two “S” hooks are required per shelf for proper use.

Post Clamp

- Item #460EGPCLAMP

Post clamps should be used to connect two posts together for greater side-by-side stability.

Post Foot Plate

- Item #460ECPFOOT

Anchor your shelving unit to the floor by securing it in place with a foot plate.

- Simply screw one foot plate into the end of each post and fasten to the floor.

Casters

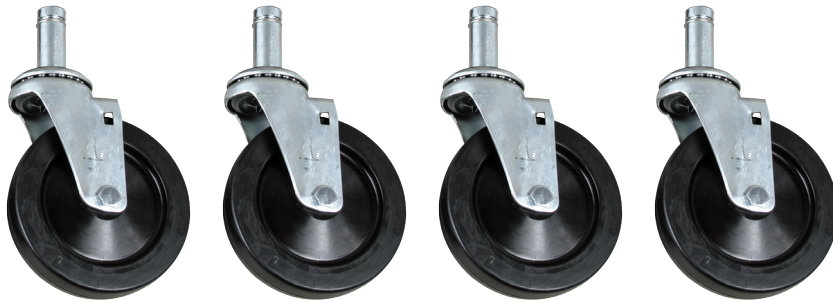

- Available in either rubber or polyurethane varieties.

Rubber

- Item #359PLCB5140
- Item #460EC25 (4 Pack)

Rubber casters work well on rough, oily, or greasy floors.

- Provides quiet movement, good floor protection, and low initial roll movement.
- Will not crack with heavy loads.

Polyurethane

- Item #4615MPX (Non-Braking)
- Item #4615MPBX (Braking)
- Item #460EC26 (4 Pack)

Polyurethane casters glide quietly over everything from concrete and carpet, cracks, and cords.

- Soft, yet resilient material.
- Provides ample cushioning to protect loads and floors.

Heavy Duty Rubber Donut Bumpers

- Item #460RUBRDONT3 - 3½"
- Item #460RUBRDONT5 - 5½"

Protect your valuable shelving, equipment, and more with these heavy duty rubber donut bumpers! These bumpers are designed to fit Regency carts and posts above your casters so your walls, doors, and other products are safe during collisions.

Shelf Mat Overlays

Use these Regency shelf mat overlays to create a smooth, solid surface over your wire shelving! Made of clear PVC, this shelf mat overlay keeps small items from falling through your open grid shelves and can even help prevent damage to items on lower shelves by containing leaks, drips, and spills. These shelf mat overlays are easily removable for thorough cleaning and for when you need to convert your shelf back to an open grid.

Item #	Width x Length (in.)	Weight
460MATCLI424	14 x 24	0.72 lbs.
460MATCLI436	14 x 36	1.23 lbs.
460MATCLI448	14 x 48	1.36 lbs.
460MATCLI824	18 x 24	0.89 lbs.
460MATCLI836	18 x 36	1.31 lbs.
460MATCLI848	18 x 48	1.73 lbs.
460MATCLI1860	18 x 60	2.22 lbs.
460MATCL2424	24 x 24	1.22 lbs.
460MATCL2436	24 x 36	1.78 lbs.
460MATCL2460	24 x 60	2.95 lbs.

Label Holders

Add pricing labels to your shelves, or keep your stock room or storage area neatly organized with the help of these clear or gray label holders! These holders easily snap on to your wire shelf so that all you have to do is insert the label.

Item #	Length (in.)	Color

Shelving Warranty Information

Regency Space Solutions NSF epoxy wire shelving is guaranteed to be free from defect in material and construction at the time of shipment. Regency Space Solutions will replace a defective piece for a period of up to one year from the original date of installation, provided they have been properly installed and maintained. Regency Space Solutions is liable to replace the defective piece, but under no circumstances will pay any labor or subsequent damage.

Green and black epoxy finish shelves are covered under warranty against rust formation over more than five percent of the shelving surface up to the fifth year of the original installation.

Chrome finish shelves are covered under warranty against rust formation over more than five percent of the shelving surface up to the first year of the original installation in a dry application. Further, chrome finish shelves are not covered under warranty in any wet application, including but not limited to coolers and freezers.

All shelving is NSF Listed.
